WORK EXPERIENCE

Marketing & Growth Intern

San Francisco, CA

Sitch AI Matchmaking

May 2025-August 2025

- Led 10-person street team responsible for posting 1,000+ flyers citywide, leveraged QR code tracking to assess user downloads; campaign drove 17% of paid users at a 25% conversion rate, ranking as 4th best-performing acquisition channel
- Designed & scaled Instagram content templates in Figma, utilizing typography & color elements
- Managed San Francisco partnerships as the sole growth intern, building relationships with local run clubs & social groups
- Planned & executed a 100+ attendee launch party, handling logistics, promotion, & guest experience
- Conceptualized, scripted, & appeared in multiple TikTok videos, boosting brand visibility & engagement

User Experience Intern

San Francisco, CA

Synch.Live

May 2025-August 2025

- Developed a structured data logging system to manage 1,000+ gameplay asset records, improving retrieval efficiency
- Analyzed data from 1,200+ participants to identify key demographic trends & user sentiments, informing product strategy
- Redesigned user survey with statistically valid question formats to improve reliability & streamline downstream data analysis
- Scoped and proposed new revenue streams by considering technical feasibility & market research (e.g., pharma & festivals)

Digital Design Intern

San Francisco, CA

YesSF

May 2025-August 2025

- Developed brand guidelines & content strategies using Figma, resulting in 2x higher Instagram views & engagement
- Designed & prototyped dozens of physical & digital posters in Figma, integrating UX principles & adaptive layouts
- Coordinated & managed 10+ community events at the organization's downtown SF headquarters space

TechSpark Makerspace Desk Attendant

Pittsburgh, PA

Carnegie Mellon University Engineering Department

January 2025-Present

- Operated & troubleshooted 3D printers & laser cutters, supporting 100+ daily users & ensuring safety protocol compliance

Project Management Intern

West Palm Beach, FL

Palm Beach County School District Information Technology Department

May 2022-July 2022

- Collaborated with a cross-functional team of engineers & UX designers to optimize the usability of a district-wide emergency alert badge used by 13,000+ teachers
- Coordinated daily workflows for 30+ interdisciplinary interns, applying Agile project management principles under the guidance of a Project Management Institute-certified manager

LEADERSHIP

Cursor Campus Ambassador

Pittsburgh, PA

Cursor

August 2025-Present

- Host on-campus workshops to expose CMU students to Cursor & how to code with AI
